

# ACCREDITATION DOCUMENT

## TEST 324

**Blue Analytics AS,**  
Kong Christian Frederiks plass 3  
5006 Bergen

The scope of accreditation is in accordance with the specifications on the following pages in this document.

The accreditation was initially granted 01.07.2022. The accreditation is given according to "Law on the free exchange of goods in the European Economic Area" of 14.04.2013.  
The organisation complies with the requirements in NS-EN ISO/IEC 17025 (2017)

The accreditation requires regular surveillance, and is valid until 01.07.2027.  
The decision of accreditation made by Norwegian Accreditation implies that the organisation has been found to fulfil the requirements for accreditation within the scope.  
The organisation itself is responsible for the results of performed measurements.
